Innovation > Automation > Excellence

COMPANY OVERVIEW

Having the legacy of ANH Enterprise since 2008, towards the journey ANH Enterprise is committed to **HONESTY** in pursuing all the activities as its name is inspired by a precise approach "**Aim Needs Honesty**". This journey was started with "**One Table One Chair Office**" to become a conglomerate serving diverse sectors.

Now ANH Enterprise is one of the leading Warehouse Solution, Material Handling, Fabric Makeup, Dyeing & Automation Solution Companies in Bangladesh. Here we believe that **Innovation > Automation > Excellence** is the pathway towards the brilliance of industrial performance. Thus it settled the focused operational magnitude for us.

Proper inventory management is paramount to streamlining warehouse operations in today's fast-paced and highly competitive markets. As the industry spearhead in Bangladesh, we are providing a comprehensive range of high-quality storage solutions. We help the warehouse professionals with a supreme priority in the process of selecting the right racking system. In such cases, we always ensure 360° support to the industries as a design consultant, perfect product supplier, and finest set-up executor to safeguard the comfort zone.

We are one of the leading specialists in design, building, supply, and solving materials handling challenges for industrial and commercial sectors. Here we ensure the supplies of warehouse racking systems to diverse types of Material Handling Equipment.

For the garment & textile sector, we are also fused in serving with Fabric Makeup and Finishing machinery. To the diverse type of industries, we are working with our support on Automation Solutions to induce technologies throughout the industrial production process with minimal human intervention. This practice of implementing automation technologies, techniques, and processes improves the efficiency, reliability, and speed of many tasks that were previously performed by humans.

Thus we are contributing to the industrial sector towards the journey of excellence.

MESSAGE FROM THE CHAIRMAN

ANH Enterprise has evolved itself into a dynamic and forward-looking organization during the last more than fourteen years. ANH is indebted to its employees for their constant effort that ensures growth, to its customers for their voice of satisfaction that encourages and inspires, and to other stakeholders for their confidence that creates the road to the future. We envisage a future for our great nation; accordingly, our endeavor for automation, innovation, and synergy continues.

The growing demand for automation is powered mainly by the demand for operational efficiency, smart space management, and reduced time in various industries. ANH has acted proactively to identify the demand, market trend and augmented its capacity with collaboration with internationally recognized producers of automation solutions from all over the world.

Our business ethos is grounded in the aim to deliver improved customer value through honest services, to provide supreme service to our customers, and to remain focused on the company's purpose of transforming industries.

[Shamima S. Sagorika]
Chairman
ANH Group

MESSAGE FROM THE MANAGING DIRECTOR

I take this opportunity to thank our valued customers from diverse industries from textile to garments manufacturing, from cement manufacturing to shipyard, from pharmaceuticals to fast-moving consumer goods, and many more, whose continued patronage and confidence in our products and services inspire us and lead us where we belong today.

Our principal priority is continuous innovation to provide high-quality solutions for our clients. We achieve this along with other objectives by caring fervently for our manufacturers, clients, business partners, support providers, and employees.

Being dedicated to providing automation solutions to every industry, we focus on the needs of our valued customers through in-depth analysis, and then prepare and propose suggestions that best fit the requirement.

We are committed to total customer satisfaction through the identification of their specific needs, translating them into quality products, and providing dependable after-sales services. Since technology holds the key to the future, our effort endures ensuring the use of smart technology to enhance productivity and efficiency. While I thank our well-wishers who have contributed to the growth of ANH Enterprise since its inception, I seek continued patronage of our valued customers, the cooperation of our employees, and all stakeholders.

OUR CLIENT PARTNERS

We believe in client partnerships. Here, it's a shared journey to create a future for both parties that is better than either could have developed alone. Each of our valued clients influences every aspect of our business and is the foundation of our success.

To us, client partnership is more than "putting customers first", or finding mutually satisfactory solutions to shared problems, or a dedication to excellence in every sale or service encounter. Hence, we are also committed to forging long-term relationships and creating synergies of knowledge, security, and adaptability for both parties.
